Notable Projects

Employee Portal
Kalamazoo Valley Community College
PHP (Laravel), HTML, SASS/SCSS, JavaScript

The Employee Portal absorbs information that was scattered between Kalamazoo Valley's public website, intranet, and student access portal to make all of it easier to find in one convenient place.

Digital Masterpiece
Personal LLC
Golang (Hugo), JavaScript, HTML, SASS/SCSS

I have a personal LLC for freelance projects. When I started my business, I had a few goals in mind for web development, performance, style, and accessibility. I do my best incorporate all these of those points in any work I do on the web.
